ADHA DELEGATE COUNT FORMULA

- Count total voting membership in each Constituent as of the last day of the ADHA fiscal year preceding Annual Session
- Count total of all voting members in ADHA as of the last day of the ADHA fiscal year preceding Annual Session
- Divide total of all voting members of ADHA into the number of voting members in each Constituent to arrive at a proportion of Constituent voting members to total ADHA voting members
- Multiply by the number 100, this is the number of delegates to be allocated to each Constituent after each Constituent is allocated one delegate. Carry to the fourth decimal. The figure arrived at with this calculation determines the number of delegates to be allocated to each Constituent (plus the one delegate already calculated)
- Take the whole number from this calculation and assign that number of delegates to that Constituent. Example: If Alaska’s calculation was 1.0201, using the whole number, Alaska would be assigned 1 additional delegate
- Once all whole numbers have been allocated to constituents, rank the four decimal calculations in order from highest to lowest. Allocate the remaining delegates to the Constituents with the highest four decimal ranking until all 100 delegates have been allocated
- Each Constituent, therefore, receives:
  - One delegate
  - Plus the number of delegates resulting from whole number calculations
  - Plus the number of delegates resulting from the decimal calculations

- round-trip Economy fare rate (Least expensive class for the appropriate flight)

- round-trip cost of privately-owned vehicle travel between home and airport and between hotel and airport (US General Services Administration, GSA reports $0.545/mile for privately-owned vehicle as of 01/01/18)

Registration: cost of early-bird delegate registration.

Accommodations: 50% group hotel rate at official hotel for the number of days delegate is responsible for presence

Per Diem: Full Day of Meals and Incidental Expenses for the number of days delegate is responsible for presence (GSA reports $61 for Louisville, KY) GSA list 75% of per diem costs for first and last day, but with the extent of delegates’ responsibilities, I recommend 100%.
