

This letter serves as official verification that the Colorado Dental Hygienists' Association (CODHA) is the recognized professional association representing dental hygienists in the State of Colorado and is a constituent and component organization of the American Dental Hygienists' Association (ADHA).

As an affiliated state constituent of ADHA, CODHA provides continuing education opportunities for dental hygienists through professional conferences, seminars, webinars, and other educational programming, including but not limited to the annual ALPINE Conference and additional courses offered throughout the year.

CODHA continuing education programs are developed to support evidence-based practice, professional growth, and lifelong learning for licensed dental hygienists. Educational offerings are structured in accordance with applicable continuing education standards and may be accepted toward licensure renewal or professional requirements, subject to the laws, rules, and approval processes of the receiving state licensing authority.

This letter is provided to confirm the professional standing of CODHA and the nature of its continuing education programming for any individual, board, agency, or regulatory authority requesting verification.

If additional information is needed, please contact the Colorado Dental Hygienists' Association.

Sincerely,

Lisa Westhoff RDH, BSDH, MSDH  
Executive Director  
Colorado Dental Hygienists' Association
