Local Anesthesia (LOCAL) Permit for Dental Hygienists Application Checklist

This is a simplified checklist of what you need to submit with an application. Please do not begin your application until you have met licensure requirements as detailed in the laws and rules of your profession. An incomplete application will cause a delay in processing.

All applicants must:

- Submit payment of the required application fee. All fees are non-refundable and non-transferable.
- Upload [name change documentation](#), if applicable.
- Hold an active Dental Hygienist (DH) or Dental Therapist (DT) license in Colorado.
- Provide information regarding other license(s) you may have held.
- Upload another jurisdiction's license, if applicable.
- Provide information regarding completion of required coursework.
- Attest to holding a current Basic Life Support (BLS) certification for healthcare providers.
- Provide verification of required coursework which must include the following:
 - 12 hours of didactic training, including but not limited to: anatomy, pharmacology, techniques, physiology and medical emergencies.
 - 12 hours of clinical training that included the administration of at least 6 infiltration and 6 block injections.
- Attest to complying with practice and reporting requirements.

State guidelines mandate that all applications expire one year from the date of submission. Failure to provide all required documents will result in your application expiring and will require you to file a new application with all new submitted documents and a new fee.
